

U.S. DEPARTMENT OF **ENERGY**

The Department of Energy mission is to ensure America's security and prosperity by addressing its energy, environmental, and nuclear challenges through transformative science and technology solutions.

A Government-Owned
Contractor-Operated Agency

Energy needs an innovative and visionary
OCIO to transform the way technology
enables the Department's mission.

– Secretary Steven Chu

Revolutionizing
the role
of the OCIO

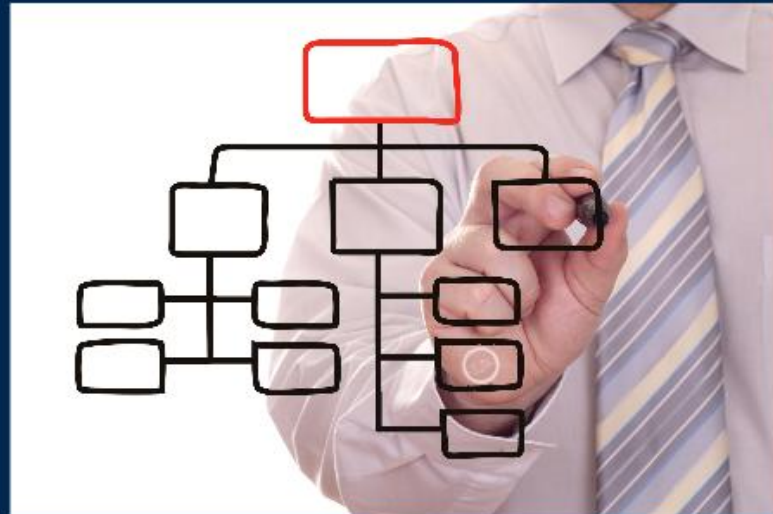

Collaboration

Share
Ideas

Promote
communication and
teamwork to encourage
the best solutions
to emerge

Transformation

Shift Course

Employ flexibility in
order to continue
meeting ever-changing
program needs

Innovation

Think differently

The image features a solid teal background. Centered on this background is a large, light teal circle. Inside this circle, the text "Modernize technology to enable a mobile workforce and increase efficiency" is written in a white, sans-serif font, arranged in four lines.

Modernize technology
to enable a mobile
workforce and
increase efficiency

Sustainability

Secure Tomorrow

Meet today's IT needs
without compromising
the ability of future
generations to meet
their own needs

Partnership

Join

Forces
